POWERS:

Powers supplies the finest athletic uniforms available. Living up to our motto "built up to a standard, not down to a price" is of vital concern to us. We also strive for the reliability of our acknowledged shipping dates. We work to keep our prices as low as possible, and we are proud of recent improvements and efficiencies which further this goal. **WE SELL ONLY THROUGH AUTHORIZED DEALERS.**

PRICES:

All prices shown herein are suggested list, and are subject to change without notice. Every effort will be made to furnish advance notice of price changes to our dealers.

ACKNOWLEDGEMENTS:

Prices shown on acknowledgements are not to be construed as invoice prices or quotations, since they are subject to correction at the time the invoice is prepared.

TERMS:

Net 30 days, F.O.B. Waterloo, Iowa. Past-due accounts will be charged interest at rates permitted by law.

SERVICE AND QUANTITY CHARGES:

SPECIAL ORDERS: Garments of the same style, material, and color: single items add 100%; 2-4 pieces add 50%; 5 pieces add 25%. In-stock items: \$10.00 list service charge on orders totaling less than \$100 list. In-stock items may be combined with other in-stock items to avoid service charge.

ORDER CHANGES:

After an order has been entered into production, cancellation will be possible only if the dealer will accept billing for work completed prior to cancellation. After an order has been booked with correct and complete specifications, any additions, deletions or changes (if possible) are subject to a \$20.00 service charge.

ORDER INFORMATION:

After an order has entered production, cancellation will be possible only if the dealer will accept billing for work completed prior to cancellation. **CHECK ACKNOWLEDGEMENTS CAREFULLY UPON RECEIPT.** Written confirmations must follow all telephone orders immediately, or responsibility for errors is entirely the dealer's. Fill-in orders should include the original Powers order number, and specifications should be copied from the invoice rather than from the acknowledgement of the original order.

DELIVERY:

Ship dates indicated on acknowledgements are estimated dates. Every effort will be made to ship on or before the acknowledged date, but Powers will not be responsible for special shipping charges incurred to meet user's requirements if we are unable to hold to schedule. Inquiries on the status of an order **MUST** include the Powers order number.

LOSS OR DAMAGE IN TRANSIT:

Shipment should be checked upon delivery. Any damages or shortages should be noted on the carriers delivery receipt and reported to the carrier's local office.

RETURNS:

Returns for any reason must be authorized, and garments must be cleaned. Unlaundered garments must be refused by state regulation. Returns **MUST** include the Powers order number, detailed information on the history of the garment, and reason for the return. It is a Powers policy that no claims for defective material or workmanship will be considered after the playing season has ended. Defects make themselves apparent at once, and must be called to our attention immediately. Products not returned within 60 days of the end of the playing season will not receive consideration for no charge adjustments. Repair work necessitated by normal wear and tear should be done by reputable reconditioner; we are not set up to handle work of this kind and we will refuse it.

LEGALITY:

It is the responsibility of the user to provide specifications for the legal uniforms. Neither Powers nor our dealers can be responsible for rules infractions.

COLOR MATCHING:

All dye lots of yarn and materials will vary from lot to lot and users must be prepared to accept slight color variations from order to order. We do our utmost to provide consistency. Users must also accept shade differences when ordering same color tops and bottoms in different materials.

CARE:

All our garments include tags with care instructions that should be consistently followed. Uniform life can be dramatically prolonged by strict adherence to our laundering instructions, which prohibit water hotter than 110 degrees, and the use of bleaches or alkaline products of any kind. Cold laundry water is also to be avoided, as some dyes can release color in very cold water. Never allow uniforms to be piled together while wet or still damp, since even the best color-fast dyes can migrate under such conditions and cause blotching in areas of contrasting color.

SHORTAGES

While unusual, shortages must be reported within 10 days of invoice.

NATIONAL SALES POLICY

Our national sales policy states: Powers will support the dealer who initiates order specifications in areas of overlapping distribution. While Powers does not intend to violate any legal requirements that may apply to this policy, adherence to our position will foster a harmonious environment among all Powers dealers. Powers will not ask a distributor to withdraw from a transaction when it is unclear who is the originator of the specifications.

FREIGHT CHARGES - RETURNS

It will be the dealer's responsibility to pay for all freight charges associated with the return of any Powers products. If the return is a result of a defect or an incorrectly produced product, Powers will credit back the cost to return those products. If a product is returned and a defect is not discovered, freight credit will not be allowed. The final decision regarding freight allowances will be at factory discretion.
